Key features (varies by model):

With payload capacities up to 1,600 lb,
these beds are made to work.

Rack & pinion steering and independent
suspension make steering easy & smooth.

Pick-up style tailgates fold out to 90
degrees and down to a full 150 degrees.

Cargo boxes as wide as 52 in. even make
hauling pallets a breeze.

Endless applications for one of the most
versatile pieces of equipment on your land.

A generous 16.4 cu. ft. cargo box with
bedliner can make light work of any job.

Most popular attachments (varies by model):

Front bumpers and brush guards for
protection when you need it.

LED headlights and work lights for
working late.

Fender guards and tail light protectors
help safe guard your investment.

Poly roofs help to keep you in the
shade & out of wet weather.

Cargo lift power dump kits for the
heaviest of jobs.
