## Key features (varies by model):

With payload capacities up to 1,493 lb, these beds are made to work.

Power steering and independent suspension make steering easy & smooth.

Pick-up style tailgates fold out to 90 degrees and down to a full 150 degrees.

Our factory installed cabs with heat and A/C make staying out all day a joy.

You may not need 4WD every day, but some days nothing else will do.

A generous 16.4 cu. ft. cargo box with bedliner can make light work of any job.

## Most popular attachments (varies by model):

Front bumpers, fender guards and brush guards help keep you safe.

Extra work lights and headlights for working late.

Warn™ winches for getting out of those tight spots.

Poly roofs to help keep you in the shade & out of wet weather.

Cargo lift power dump kits for the heaviest of jobs.
