Key features (varies by model):

With payload capacities up to 1,600 lb, these beds are made to work.

Rack & pinion steering and independent suspension make steering easy & smooth.

Pick-up style tailgates fold out to 90 degrees and down to a full 150 degrees.

Cargo boxes as wide as 52 in. even make hauling pallets a breeze.

Endless applications for one of the most versatile pieces of equipment on your land.

A generous 16.4 cu. ft. cargo box with bedliner can make light work of any job.

Most popular attachments (varies by model):

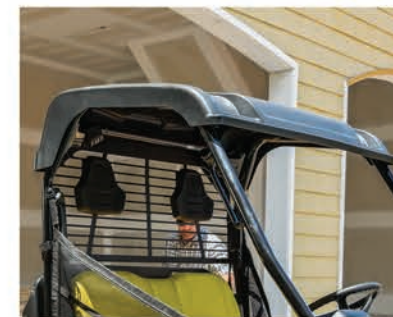

Front bumpers and brush guards, starting at just \$199.

LED headlights and work lights for working late, starting at just \$199.

Fender guards and tail light protectors, starting at just \$119.

Poly roofs to keep you in the shade & dry, starting at just \$599.

Cargo lift power dump kits for the heaviest of jobs, starting at just \$899.
